PROGRESS REPORT 2

NAME: Vinayak Agarwal

SUBSYSTEM: Coding

DATE OF SUBMISSION: 01/01/2022

REPORTING PROGRESS FROM 27/12/2021 **TO** 01/01/2022

PROGRESS:

- Read about all the pins and the components of Arduino.
- Read about PWM and duty cycle.
- Created an account on thinker cad and learn how to use it to create a circuit with Arduino
- Downloaded Arduino ide and understood its working and tried using it to program Arduino
- Completed the given worksheet on the Arduino and uploaded it on GitHub.
